Hi Craig

On behalf of the board of Ingane Yami children's village we wanted to thank you for the generous donation of 2 Desk-top's and 1 Lap-top comuter.

The 2 desk-top's are going to be used to set up an area for the older childern in the village to use for project type work, and the laptop is going to be used by the teachers in our school.

May God bless you & your work.

Warm regards,

Scott
